

Guidelines for using the HappyOrNot Canva poster templates

There are 2 promotional poster sizes available:

- A4: <https://canva.link/c4kw3arl9on2v8s>
- A3 template link: <https://canva.link/bsl3j4lufpcnqxr>

Getting started

- Open the Canva template link
- Select "Use template" to create your own editable copy.
- Log in to Canva or create a free Canva account if required.

Brand guidelines

To maintain brand consistency, please do not:

- Change the poster image.
- Move, resize, or replace the HappyOrNot logo.
- Move or alter other design elements outside the allowable edits.

Template variations & what you can edit

Co-branded posters

- Add your company logo in the designated logo area (but do not reposition)
- Change the background to your brand color.
- Texts and font type.

HappyOrNot posters

- Use the template as provided.
- Update only the editable text fields if required.
- Do not add additional logos.

Exporting your poster

- Once complete, select "Share" > "Download."
- Download as PDF Print for professional printing.
- Ensure the final design matches the approved template before printing or sharing.
